Happy New Year!

While 2020 was certainly a challenging year for all of us, we do have some exciting news for 2021...We're moving!

Our new office (Dental Excellence) will be located at 1288 West Orange Grove on the NE corner of La Canada and Orange Grove Rd. It is 5 and ½ miles from our current location. The new facility will contain up-to-date state of the art technology, and equipment, to better serve your dental needs. The move should happen sometime around the end of March or the beginning of April. We will keep you posted as progress continues.

All of us at Hiremath Family Dentistry want to thank you for 28 years of continued patronage. We have served Oro Valley and the surrounding communities since October 4, 1992 and hopefully will continue to provide excellent dental care for you and your family another 28 years!! Rest assured that you will continue to receive the very best in care at our new location. We look forward to seeing you at our new facility!!!

Respectfully,

Dr. Satish Hiremath
